By Rail

The nearest station to the office is Nottingham Station which has a regular service to and from London St Pancras. Our office is approximately 10 minutes by taxi.

By Car

Take the A52 from junction 25 of the M1 and follow directions for Nottingham City Centre (approximately 6 Miles).

Canning Circus, is the most difficult area to navigate as it is a one way system:

As you approach the first set of traffic lights on Canning Circus (top of Derby Road and Police Station on the opposite corner) stay in left hand lane but DO NOT turn left; proceed to the 2nd set of traffic lights still in the left hand lane, again DO NOT turn left but bear right keeping in the left hand lane and proceed to the 3rd set of traffic lights and turn sharp left into Talbot Street.

At the 4th set of Traffic lights turn left into Clarendon Street and our office is on the right hand side set back off road with parking space.
